# MATARIKI CELEBRATION

## A REPORT FROM MARAE COMMITTEE CHAIRMAN

### Matariki a Nuku, Matariki a Rangi, Matariki Toi Ora, Haumi e, ui e Taiki e!

Our Matariki celebration was a resounding success, featuring an opening and closing ceremony with two workshops throughout the fortnight. These events were held at Te Kāmaka Marae and funded by the Kaipatiki Local Board.

- We opened the Matariki celebrations.
- We had two weaving workshops.
- The closing including a concert of Matariki

To ensure the best support for the unity of North Shore, we held numerous strategic meetings with the committee. The event was overwhelmingly successful and greatly raised the profile of Te Kāmaka as a place of unity and inclusion. We had an incredible response with many attendees.

On behalf of our committee as the leader and chairman I would like to acknowledge our sponsors the Kai Pātiki Community Board, all our stakeholders, vendors, our communities and our organisers and all those that made these events possible. Thank you also to all our committee.

# NEXT STEPS TOWARDS THE PROPOSED REPURPOSING

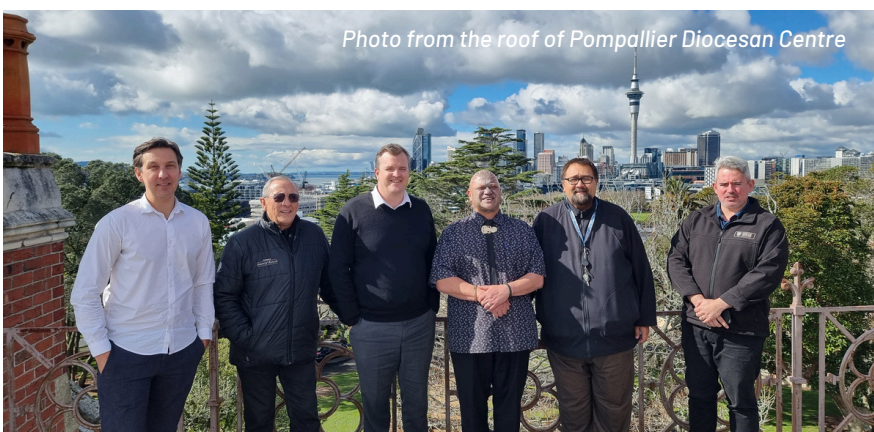

## Prayer Request

The Interim Governance Group continue to hui once or twice a month. Their most recent mahi has been to:

- Update and confirm the latest version of a Tuāpapa (Deed) setting out the terms of the foundation document creating a Hāto Petera Board as the governance group to take this kaupapa forward. The next steps are for legal reviews of the Tuāpapa and then for the draft document to be reviewed by Kaumatua Rōpū and Bishop
- A Memorandum of Understanding has been agreed between Hāto Petera Limited and the Catholic Diocese of Auckland to make K7 available as a space of manaakitanga from February 2025.
- Planning has begun for the next Hāto Petera Hui-a-Whanau scheduled for Saturday 9 November 2024.

We invite you to keep past students and whanau of Hāto Petera who are sick in your prayers.

**Professor Angus McFarlane**  
Hāto Petera whānau gathered online recently to pray with Matua Angus through a time of illness.

### **Pā Tony Brown**

Pā Tony had a fall recently which hospitalised him for a period. He is doing well in recovery and appreciates the many visits and prayers.

# TE KĀMAKA MARAE CHAIRMAN REPORT

Te Kāmaka Marae has been established for over a year now, since 2023-2024.

'Ko Rangitoto te maunga. Ko Te Waitemata te moana. Ko Te Kopua ō Matakerepō me Te Kopua ō Matakamokamo ngā puna waiora. Ko Te Onepoto te onepū. Ko Pupuke te awa. Ko Te Whenua Roa o Kahupara te papa whenua. Ko Te Kāmaka te marae. Ko Te Kāmaka te whare tipuna. Ko Hato Petera te waka. Ko Hehu Karaiti te poutokomanawa. Ko Tipene te Pihopa.'

Te Kāmaka Marae is connected and associated with the Auckland Catholic Diocese, the Interim Governance Committee, Te Kāhui Kaumātua Council, Hato Petera Limited, and we have a formal MOU relationship with the Transformation Academy. We are a committed group of volunteers and people of all cultures, iwi, and hapū who have supported the revitalization and reopening of Te Kāmaka Marae.

In 2023, we held a properly mandated hui to establish a committee by the people, for the people of Te Waka ō Hato Petera. This mandate, given by the community, iwi, our Catholic Church, past pupils, past families, and our Bishop—all who have a close association with Te Waka ō Hato Petera—resulted in the formation of our marae committee.

We launched the reopening of Te Kāmaka and established our cultural research and archives for our taonga housed at the back of our marae. Over the past year, we have achieved the following:

- Re-established Te Kāmaka Marae.
- Fully consulted with the other three marae on the North Shore.
- Hosted multiple bookings and hui, with our marae being fully active.
- Welcomed approximately 4,500 people through our marae in less than a year.
- Continued our Northcote Matariki events for the community at Te Kāmaka Marae in partnership with the Kai Pātiki Community Board.
- Hosted community tangi, schools, sports clubs, church events, cultural events, healing and spiritual events, kapa haka, pest and rodent control meetings, Te Tiriti ō Waitangi and Te Whakaminenga hui, Waka Ama events and training, gang events, graduations, filming, and recording of sound throughout the marae in relation to its acoustics.
- Engaged in other projects, consultation hui for the repurposing of Hato Petera, and corporate events.
